HANNES PEER

Designed by Hannes Peer for Baxter, Aura is a double bed that redefines the sleep experience by combining the essence of contemporary architecture with exceptional comfort. A sophisticated evolution of the modular Aura sofa, this bed expresses graceful lightness through its floating aluminium frame—available in polished chrome or lacquered finishes that masterfully play with light. The solid internal structure guarantees enduring strength, while the sculpted padding cradles the body in a soft embrace, encouraging a deeply restorative sleep. Wrapped in sensuous, full-grain leather, the bed frame outlines the profile with sculptural elegance—transforming any bedroom into a space of refined beauty. The two generously padded headboards, meticulously shaped, create a harmonious visual flow while offering ideal ergonomic support. Aura becomes a symbol of contemporary luxury, designed for night spaces that aspire to both exclusivity and emotional warmth.
