

DUNE

TABLES AND SMALL TABLES | Indoor
DRAGA & AUREL

Experimental and ironic, the Dune coffee table by Draga&Aurel is formed by a sinuous stainless steel band with a glossy finish on the outside and a satin finish on the inside, available in two versions: steel or natural fibreglass, with details in satin brass or chrome-plated metal. A sculptural piece with thin sheet metal that reflects light like a mirror, creating functional surfaces for a coffee table or bedside table in every curve.

Structure: frame made of fibreglass or stainless steel sheet with polished outer side and satin-finished inner side. Satin-finished brass or chrome-plated metal details (only for the fibreglass version).
