

FOLD

SOFAS AND ARMCHAIRS | Indoor
VINCENZO DE COTIIS

A masterpiece by Vincenzo De Cotiis, the Fold sofa takes its name from the captivating play of folds in the leather that envelops it, creating a distinctive texture with powerful visual impact. This unique element turns the surface into a tactile landscape—an expression of refined craftsmanship and aesthetic exploration. The shape is soft, enveloping and minimalist, containing in its purity traces of the long process of upholstery manufacture. The solid antiqued brass feet that support the sofa's low frame are only present at the front, emphasising the unique and sophisticated style of a piece that elevates any space in which it is placed. Fold is not merely a sofa; it is a sculptural presence that transforms its surroundings—a contemporary design piece that enriches the space with its quiet elegance and unmistakable personality.

Structure: frame in beech plywood.

Padding / Filling: padding in differentiated density polyurethane foam with acrylic fibre cover.

Spring system: springs in woven elastic straps of covered rubber.

Feet / Legs: front metal feet with finish of choice.

Available only in soft leathers and a unique kind of leather and colour.
