DAO SOFT SOFA

Design Gordon Guillaumier

Un divano modulare che permette estrema libertà compositiva in un'armonia geometrica di morbidi volumi che, nella loro semplicità visiva, invitano con immediatezza a sperimentare calma e relax, sintonizzandosi con il ritmo del proprio respiro. Dao Soft, la nuova proposta di arredo firmata da Gordon Guillaumier, si caratterizza da alti schienali ed elementi di seduta imbottiti con diverse densità di poliuretano e inserti di Cloud Foam e trapuntino in Microflock per offrire pieno comfort e flessibilità dando vita a configurazioni che spaziano dalle più classiche e tradizionali a quelle più contemporanee. Disponibile in due versioni: Dao Soft Base con un basamento rivestito in tessuto o pelle come il rivestimento principale e Dao Soft Light con piedini neri per un uso più funzionale. Una proposta che esprime il proprio animo sartoriale nelle preziose cuciture "a pizzicotto" che definiscono l'estetica del rivestimento in tessuto o in pelle.
